

# Nuturelife® Pregnancy Products

Showing our commitment to a quality products and processes.

By Lisa Parsons -  
CEO, Pure Destiny Aromatics, for Pregnancy Massage Australia®

---

Now is the time to take extra care to ensure that you and your baby are immersed in only the purest products.

---

## Our Products

Discover the bond between motherhood and mother-earth with our specialised, professionally formulated products for every stage of pregnancy, birth and breastfeeding. Formulated to nurture body and soul, mother and baby.

The product range that we have developed walks you through your pregnancy journey. To assist with alleviating some of the symptoms associated with pregnancy, we have put together a unique range of essential oil blends and massage oils to help you travel through this wonderful journey and support you with our knowledge and experience.

We have ensured that the essential oils used throughout the range are specific for each trimester and can be used safely. They are all 100% pure and natural from the first distillation.

Enrich your pregnancy with our gentle, hydrating and nurturing essential oil and massage oil range unique to Nuturelife®. Enhanced with the purest ingredients to nurture, balance, calm and comfort every expecting mother.

The pregnancy massage products mentioned are manufactured by Pure Destiny Aromatics exclusively for Pregnancy Massage Australia®.

PMA specialise in delivering pregnancy massage with a focus on health, wellbeing and relaxation for the mother-to-be; creating a connection between the mother, baby and the partner. Our product range helps to prepare the body for the changes through pregnancy, birth and beyond.

## Our Practices

Nuturelife's® dedication to consistent quality means crafting only the finest, premium products, and using 100% natural ingredients designed to nurture, soothe and heal women on their all-important journey of nurturing life. Each of our formulas are time-proven and backed with integrity, wisdom and an intimate knowledge of essential oils and their potent healing properties.

## Our Manufacturing Process

Guided by this commitment, Nuturelife's® manufacturers follow the Australian Code of Good Manufacturing Practices (GMP). To ensure the utmost quality and consumer protection, we retain samples from every batch and have a computerised tracking system to follow any bottle sold.

Any product you purchase from us can be made with confidence that the product you have chosen is a testament to our vow to quality and excellence. Your safe, happy and educated journey through your pregnancy is of utmost importance to us.
